

Australian Agricultural Centre – Statement of Commitment to Child Safety

The Australian Agricultural Centre is committed to providing a safe, supportive, and empowering environment for all children and young people who engage with our programs, activities, and facilities.

We believe every child has the right to feel safe, be respected, and have their voice heard. We take a zero-tolerance approach to child abuse and harm in any form.

Our team is dedicated to:

- Promoting the safety, well-being, and inclusion of all children and young people.
- Embedding child safety and wellbeing in our culture, policies, and everyday practice.
- Actively listening to and empowering children to participate in decisions that affect them.
- Ensuring our staff, trainers, and volunteers are appropriately screened, trained, and supported to uphold child-safe values and practices.
- Responding to all concerns or allegations of child abuse or harm quickly, fairly, and in accordance with our legal and ethical obligations.

Our team members are trained to uphold child-safe practices at all times and are carefully screened to ensure the highest standards of care.

We take all concerns about safety seriously and respond quickly and appropriately.

We believe every child has the right to feel safe, to be listened to, and to be treated with respect.
